WONDERFUL DISCOVERY! "NONE NEED DESPAIR."

All must admit there never has been given such a mass of genuine testimony in fuvor of any other medicine. Give it a trial! It cures when all other remedies have failed. Greater weight of testimony cannot be given—from the first men in this country.

Description Sept. 18, 1851

BALTIMORE, Sept. 18, 1851. medicine prepared by you, and very generally known as Dr. Hampton's Vegetable Tincture, which you recommended me to use as a relief for the debility and general an activity of body which I have not enjoyed for a long So satisfied am I of the virtues of this medicin that I have confidently recommended it to many of my friends and acquaintances, and am happy to learn that in a great majority of cases the most beneficial results have a great majority of cases the most schements results have stamped the infallibility of the Tincture. In my own case I am satisfied that your advice to me to give it a trial has under the blessing of a kind Providence, resulted in restoration to health, for which I am truly thankful.

Respectfully, JOS. K. STAPLETON, 198 W. Baltimore street.

TRY IT AND BE CURED.—WONDERFUL AND PER-MANENT CURE OF DYSPEPSIA.

BALTIMORE, Sept. 13, 1851. MANENT CURE OF DYSPEPSIA.

BALTIMORE, Sept. 13, 1851.

Messrs. Mortimer & Moubroy—Gentlemen: This is to certify that in the year 1843 I was attacked with a nervous affection, in consequence of Dyspepsia or Indigestion, which continued some eighteen months, during which time my sufferings were intense, both of body and mind. I tried every thing I could think or hear of, (as there was much sympathy for me.) and at length all efforts failed to cure me. I became much weakened, and could walk but a very short distance at a time, and was often in the act of falling upon the pavement, (I would stop in some door or alley to prevent it.) in consequence of frequent palpitations; and, from what I could learn, I supposed I had disease of the heart, from frequent distressing pains about the same; as also my chest and abdomen—the latter being much distended. At this stage of my disorder I could neither eat, sleep or walk with any satisfaction to myself. Life seemed to be a burden to me. My feelings were gloomy beyond description.

I at length heard of Dr. Hampton's Vegetable Tincture, and made trial of it. I had but taken the first dose when I felt a change for the better, and hope immediately sprang up. I continued, with the use of this invaluable fincture, to improve daily, until I had taken the contents of three bottles, which, under Divine Providence, made a perfect cure of me.

I found I had an excellent appetite, and could partake

of three bollies, which, under brane to the perfect cure of me.

I found I had an excellent appetite, and could partake of any food, which I could not do for years previously without the most distressing sensations. I now enjoy uninterrupted good heaith, and have done so for the last six years; and would say to all afflicted as I have been, to east aside your prejudices, and try Hampton's Vegetable Tincture. Any information beside this but meagre description of my case will be given cheerfully for the benefit of the afflicted. Yours, WILLIAM M.OLDHAM, Custom-House; dwelling, Fayette st., near Fremont.

SUCH A MASS OF HOME TESTIMONY MUST CARRY

SUCH A MASS OF HOME TESTIMONY MUST CARRY CONVICTION TO EVERY MIND.

BALTHORE, Sep. 18, 1861.

Mesere. Mortimer & Monobray—Gentlemen: The cure of Mr. Robert Gault, by the use of three bottlee of Hampton's Vegetable Tincture, as per his certificate, is, I think, almost unprecedented. His case of extremely exerciating suffering, from Chronic Inflammatory Rheumatism, came immediately under my own observation, through the last four years, which I considered entirely hopeless. Through my earnest persunsion, he was induced to try your invaluable Tincture. I was prompted to remark at the time, that if medicine would cure Mr. Gault, it certainly would "remove mountains." The knowledge of this miranelous cure compels me to consider it a duty I owe to the afflicted (and particularly to those with complaints like his) to make generally known the healing power of this truly wonderful medicine. Yours, most respectfully.

JAMES P. MERRITT,

187 Baltimore street.

Sep 24—dlm YERBY & MILLER GEORGETOWN AND ITS AFFIRM.

Georgerows, October 24-12 m. Runaway and Accident .- Yesterday afternoon as a meal wagon belonging to Alfred Lee was returning from Washington, the horses ran off. The boy in charge attempted to jump out, but a portion of his clothes hung to the running gear, throwing him under the wagon, and the wheels passed over him. He was dragged some distance, badly bruising his face and head. He was taken home in a senseless condition. The wagon was broken to pieces. Mr. John Kidwell has leased the first, second,

and third stories of Mr. Hick's fine new iron-

front building, on the corner of Prospect and High streets, for ten years. He intends commencing immediately to fit it up in the most beautiful and modern style for a drug store. Disgraceful Riot .- Last night, about 8 o'clock, Captain Enemyer, of the canal boat J. R. Annan, was wantonly assailed and shamefully beaten by a crowd of rowdies while assisting his tow-boy to conduct his horses under the Aqueduct bridge. The boy escaped, and soon brought Captain James Moore, of the boat Mountain Ranger, to the relief of Captain Enemyer. The crowd made a fierce attack upon Captain Moore, but he forthwith knocked one of them down with his fist, another with a stone handed him by the boy, and shot a third (Jas. Howard) in the back and legs with his shotgun, which had been brought to him from his boat. Captain Enemyer had, when first attacked, stabbed one of his assailants, who belonged to the packet boat Belle, but not fatally. This state of things must be looked into.

Edward S. Wright sold yesterday at auction small frame house and lot on Dunbarton street, near Montgomery, for \$590.

Flour and Grain Market .- Flour dull at \$3.811@\$3.871, as in quality. Receipts and sales both limited. Wheat and corn remain at esterday's prices.

Canal Trade .- Arrived-The following boats rom Cumberland, with coal: E. W. Dunham, 100 tons; Helen Bruce, 93 tons; E. J. Neale, 95 tons: J. R. Annan, 90 tons. Also-Edward Payson, 62 miles, limestone; D. & H. Clagett,

81 miles, 794 bbls. flour.

Departed — Lady, J. P. Smart, American Flag, Gen. Taylor, Massasoit, William Fowle, Annawan, Morning Star, Columbia, and Mary. ELECTRO.

THE ARREST OF MR. THRASHER .- This arrest it is supposed grew out of an affair noted as follows:

In reply to a letter of Mr. Thrasher, denying all knowledge of the pretended declaration of independence, issued in the name of the people of Cuba, the New Orleans Delta of a late date says:

"Mr. Thrasher, in a card in the Crescent, de nies that he sent us the declaration of independence of Puerto Principe, published in the Delta. There is some mistake in this matter. It was certainly handed to us by a gentleman, who assured us it was from Mr. Thrasher, with the request to have it translated and published. That gentleman is now absent from the city, and we shall have to wait his return to hear his explanation of it."

If it had been true that this declaration was forwarded to New Orleans by Mr. Thrasher, (the Baltimore Sun truly remarks,) we can imagine nothing more impolitic than to expose him to the vengeance of the Spanish government. If the charge of the Delta can be sub stantiated, Mr. Thrasher will answer for it with his life, perhaps.

ESSENCE OF COFFEE. With 121 Cents to save four Pounds of Coffee! THIS ESSENCE has been proved by many thousands of the richest and most respectable families, as well as by the poorer class of people, almost through the whole united States, to be by far the best preparation of Coffee ever offered to the public. Coffee made by this Essence is much more wholesome, more delicate, fine-flavored, perfectly clear, and, in every instance, superior to the finest Java coffee.

I have examined an article prepared by Messrs. Hummel, Bohler & Co., of Philadelphia, called Essence of Coffee, which is intended to be used with coffee for the purpose of improving it. I find it free not only from any thing injurious to health, but, on the contrary, the ingredients of which it is composed are perfectly wholesome.
